THE GEORGIA CAMPAIGN FOR ADOLESCENT POWER & POTENTIAL

Dear Valued Partner,

At Georgia Campaign for Adolescent Power & Potential (GCAPP), we believe that every young person deserves the opportunity to lead a safe, healthy, and hopeful life. As a leader in adolescent health and youth development, we are committed to creating a brighter future for all children across Georgia. But we cannot do it alone.

The challenges facing young people today—from mental health struggles to the pressures of navigating a complex and ever-changing world—require collective action. We are reaching out to you, our trusted partners, to join us in making a difference. Together, we can ensure that Georgia's youth have access to the resources, education, and support they need to thrive.

By becoming an annual sponsor, you will play a pivotal role in empowering young people to overcome obstacles and reach their full potential. Your support will:

- Provide comprehensive programs in sexual health and wellness.
- Equip young people with tools to build resilience, self-esteem, and healthy relationships.
- Foster community partnerships that create safer, more supportive environments for youth.
- Expand opportunities for education and outreach that lead to measurable, positive outcomes.

Your support also allows you to join us at the three signature events that highlight the impact of our work:

- **Rising Leaders Luncheon** on June 6: A gathering to celebrate and support young leaders who are making strides in their communities.
- **EmPower Party** on November 13: An inspiring evening of celebration, connection, and commitment to empowering Georgia's youth.
- **EmPower After Party** on November 13: The celebration continues with live entertainment for young professionals, influencers, and advocates, all in support of a great cause.

As a sponsor, you will make a lasting impact in the lives of Georgia's youth and demonstrate your commitment to social responsibility and community well-being. We are proud to offer recognition opportunities that showcase your partnership to stakeholders, employees, and the broader community.

Thank you for considering this meaningful partnership. If you have any questions or would like to discuss sponsorship opportunities further, please don't hesitate to contact me directly at 404.475.6043 or ronald@gcapp.org.

Let's create a brighter future—together.

GCAPP President and CEO

YOUNG PEOPLE NEED OUR HELP

Exposure to childhood trauma (emotional, physical, and sexual abuse, neglect, violence, home instability) often leads to adolescent depression, risky behavior, teen pregnancy, teen dating violence, poor performance in school, substance abuse, among others.

A few alarming facts:

- Georgia ranks 37th in overall child wellbeing
- Suicide is a leading cause of death for Georgia children 10-17 years old
- Adolescents account for 58% of all STIs in Georgia
- Teen pregnancy continues to be the #1 reason teen girls drop out of school

GCAPP helps youth mitigate risks and avoid circumstances that are often difficult to overcome, increasing their chances for a vibrant future.

VISION

We believe all children are entitled to a safe and healthy adolescence characterized by hope, respect, and the opportunity for a productive future.

MISSION

To improve the overall health and well-being of young people in Georgia to ensure a more powerful future for us all.

WHEN CHILDREN DO WELL, WE ALL DO WELL

WHO WE ARE

GCAPP is a statewide adolescent health organization that focuses on:

- Youth empowerment
- Teen pregnancy prevention
- Comprehensive sex education
- Parent engagement

Working with 300+ schools and community organizations, we help communities implement proven programs that give over 70,000 young people in Georgia the knowledge, skills, and motivation they need to make healthy lifestyle choices and maximize their potential.

ANNUAL PARTNER BENEFITS

We would greatly appreciate your support of all of our 2025 fundraising events! We would like to offer the sponsorship levels below that include benefits for all three events.
